HEALD'S

Business College.

24 POST STREET, SAN FRANCISCO.

E. P. HEALD,
President.

F. C. WOODBURY,
Secretary.

The design of this Institution is to impart to persons of both sexes a practical and useful Business Education. Young men are thoroughly fitted for Bankers, Merchants, Book-Keepers, Cashiers, Clerks and Salesmen, by our great system of **ACTUAL BUSINESS TRAINING**. By this system, the pupil receives, while in the school, the same practice in conducting business affairs that he would in a *bona fide* Bank, Office, or Counting-House.

BRANCHES TAUGHT:

Single and Double Entry Book-Keeping.	Mechanical Drawing.	Custom House Business.
Plain and Ornamental Penmanship.	Modern Languages.	Real Estate.
Commercial Arithmetic.	Higher Mathematics.	Telegraphy.
Business Correspondence.	Phonography.	Commission.
Mercantile Law.	Railroading.	Importing.
Political Economy.	Surveying.	Forwarding.
Actual Business.	Brokerage.	Grammar.
Merchandising.	Exchange.	Rhetoric.
Insurance.	Jobbing.	Reading.
Banking.	Mining.	Spelling.

The SCHOOL-ROOM and COUNTING-ROOM

Are united upon a plan that secures to the student all the practical advantages of each. There is in operation a Banking House, with Checks, Drafts, Notes, Bills of Exchange, Certificates of Deposit, etc., fully illustrating the banking business. The school-room is elegantly fitted up with

MERCHANDISING, JOBBING and IMPORTING EMPORIUMS,

GENERAL and NATIONAL BANKING OFFICES.

COMMISSION, FORWARDING and REAL ESTATE,

INSURANCE, EXPRESS and POST OFFICES.

SAN FRANCISCO, CAL.

Heald's Business College,

24 POST ST., SAN FRANCISCO.

The Leading Institution of Business Training on the Pacific Coast

This is the only school in San Francisco that makes a Business Education its distinct and separate specialty. Its teachers are competent and experienced. Its pupils are from the best class of young men in the State. It is under the very best discipline. Its Scholarships are good in the tertiary-six Bryant & Stratton Colleges. It employs four of the best penmen in the State. It has the largest rooms, the largest attendance, and the most complete system of business training, of any commercial school on the Pacific.

YOUNG MEN AND LADIES

Wishing to prepare themselves for the practical duties of life, will find this the best school. Pupils learn just what they need to accomplish success, and do not meddle with superfluous studies. Each student receives separate instruction, and can thus advance as rapidly as desired, not being kept back by those more deficient. All persons passing the final examination in a satisfactory manner, will receive our finely-engraved GRADUATING DIPLOMA. Graduates of this College are in demand among business Men, and can readily find good positions. Such as are in good standing are assisted in obtaining situations, if desired.

OUR BUSINESS COURSE

Is especially adapted to the wants of young and middle-aged men, who wish to prepare for the active duties of life, whether book-keepers, salesmen, merchants, bankers, professional men, or even farmers or mechanics.

THEORY AND PRACTICE

Are combined in such a manner as to make each a powerful help to the other.

The Student **buys, sells, ships, barter, consigns, discounts, insures, draws checks, notes, and drafts, gives leases, deeds, etc.**, and goes through the entire routine of actual business. He becomes acquainted with changing books from Single to Double Entry, and *vice versa*, and also with Joint-Stock and Partnership Books, and every form and style of Book-Keeping practiced in well-regulated Business Houses. **Jobbing, Importing, Commission, and Banking** are carried on with the students of the other Colleges in the Association—thus fully illustrating the methods of carrying on business and keeping books when there are different currencies. The pupil becomes familiar with all the calculations and entries connected with legal Tender and Gold transactions.

SESSIONS CONTINUE DAY AND EVENING.

Clerks, mechanics, and others engaged during business hours, can secure a sound Mercantile Education by attending evenings only. There are no class systems to keep the pupil back; each can advance as rapidly as desired. No particular age or degree of advancement is required to enter the College. We have in operation an

ACADEMIC DEPARTMENT,

Where all the branches of an ordinary English Education are taught, for those who are too young or not sufficiently advanced for the Business Course. Visitors are always welcome at the College.

FURTHER INFORMATION.

Young men and young ladies should obtain full particulars regarding this useful Institute of Practical Education. Now is the time to get an education. Use the present, and you can trust in the future. Competent persons are wanted in all departments of industry. In order to learn all about this school, send for

HEALD'S COLLEGE JOURNAL,

Which is issued monthly, by the College, and contains full particulars regarding the Course of Studies, Expenses, etc.; also, a large amount of interesting reading. It can be obtained, free of charge, either at the College Office, 24 Post Street, or by addressing
